

Kitchen Refrigerator & Freezer Guidelines

In effort to keep the church refrigerator and freezer clean and organized, please keep the following in mind:

- Please strive to not leave leftover food in the refrigerator and/or freezer. Either take leftovers with you or place them in the dumpster on your way out.
- If you must leave food in the refrigerator and/or freezer, please label it with your name and date. Labels, along with a pen, are located on the refrigerator and freezer for your use.
- The condiments will be checked each January and June. Expired condiments will be thrown out.
- The refrigerator and freezer will be cleaned every Tuesday by the Quilters.

***Please note:** As of September 3, 2015, there is food in the freezer that is a few years old. This food will be thrown out soon.*

Thanks!

Susan Mick and Kitchen Crew
